

# EXTENSION MASTER GARDENER PROGRAM

The Extension Master Gardener program is an educational volunteer program vital to K-State Research and Extension's ability to provide accurate, up-to-date and research-based horticultural information to Kansans in their local communities.

## MAKING A DIFFERENCE

Extension Master Gardener volunteers work closely with K-State Research and Extension agents to annually deliver more than 91,000 hours of home lawn, garden and landscaping education to their communities through a variety of activities.

**Demonstration  
Gardens**

**Garden  
Tours**

**Community  
Events**

**Youth  
Outreach**

**Passionate about gardening, life-long learning  
and community education?**

**Apply for training to become an Extension  
Master Gardener volunteer!**
